Concordant Scripture Study

c-s-s.website

Studying Scripture concordantly, meaning in accord with that which was written originally, involves the need to determine not only the meaning of the words and word-elements but the grammar also.

Beginning with the Greek letters we are happy to find most of them preserved in our modern English Alphabet. Anciently they were written like this:

Α	Β	Γ	Δ	Ε	Ζ	Η	Θ	Ι	Κ	Λ	Μ	Ν	Ξ	Ο	Π	Ρ	Σ	Τ	Υ	Φ	Χ	Ψ	Ω
a	b	g	d	e	z	ē	th	i	k	l	m	n	x	o	p	r	s	t	u	ph	ch	ps	ō

Vowels easily change, combine or absorb one another. The latter, in particular, is confusing until we grasp the laws behind it:

ΑΑ	=	Α	ΕΑ	=	Η	ΟΑ	=	Ω or Δ
ΑΕ	=	Α	ΕΕ	=	ΕΙ	ΟΕ	=	ΟΥ
ΑΗ	=	Α	ΕΗ	=	Η	ΟΗ	=	Ο or Η
ΑΟ	=	Ω	ΕΟ	=	ΟΥ	ΟΟ	=	ΟΥ
ΑΩ	=	Ω	ΕΩ	=	Ω	ΟΩ	=	Ω

Consonants are more stable but are inclined to combine by forming a new letter or letter-combination, or simply to be dropped:

ΠC	BC	ΦC	=	Ψ
ΚC	ΓC	ΞC	=	Ξ
ΠK	BK	ΦK	=	Φ
ΚK	ΓK	ΧK	=	Χ

TC	=	C
ΔC	=	C
ΘC	=	C
MC	=	M
NC	=	N
ΛC	=	Λ
PC	=	P
TK	=	K
ΔK	=	K
ΘK	=	K

ΤΤ	ΔΤ	ΘΤ	=	CT
ΤΘ	ΔΘ	ΘΘ	=	CΘ
ΠΜ	ΒΜ	ΦΜ	=	ΜΜ
ΤΜ	ΔΜ	ΘΜ	=	ΧΜ
	ΒΤ	ΦΤ	=	ΠΤ
	ΠΔ	ΦΔ	=	ΒΔ
	ΠΘ	ΒΘ	=	ΦΘ
	ΓΤ	ΧΤ	=	ΚΤ
	ΚΔ	ΧΔ	=	ΓΔ
	ΚΘ	ΓΘ	=	ΧΘ
	ΚΜ	ΧΜ	=	ΓΜ
		ΝΠ	=	ΜΠ
		ΝΒ	=	ΜΒ
		ΝΦ	=	ΜΦ
		ΝΜ	=	ΜΜ
		ΝΨ	=	ΜΨ
		ΝΚ	=	ΓΚ
		ΝΓ	=	ΓΓ
		ΝΧ	=	ΓΧ
		ΝΞ	=	ΓΞ
		ΝΛ	=	ΛΛ
		ΝΡ	=	ΡΡ

Considering these features will help to understand the changes words make in usage at times.

Concordant Scripture Study

c-s-s.website

Moving from letters to words we find different word-groups like verbs, nouns, adjectives, pronouns and articles, prepositions, adverbs, conjunctions and several particles.

Most words make specific changes in form in order to conform to the other words in sentence, all in accord with the sense. Verbs have to adjust with function, voice, tense, mode, as well as number and person, which commonly is called conjugation. Nouns, pronouns, adjectives and the article are declined to state clearly the relationship between subject and object.

Studying the Greek verb will show that it is much more a word of function or condition than of time. Time only has a secondary aspect; primarily the verb is brought before us as an indefinite FACT, a going on ACT or a complete STATE. Therefore, we have arranged the verb according to this point of view. Because there is much similarity between the several active verbs, as between the middle and passive as well, we have correspondingly grouped the voices together.

A special position is taken by the middle voice because we don't know it any more in our modern languages and therefore have to translate it either actively or passively. In fact the middle expresses an action remaining with the subject/object and not going out from it (active) or befalling it (passive). However, in order to indicate the middle verbs, we have given the passive expression of the verb form in *italics*, as I-*was*-baptizED, when translated passively. We have added a specific sign when we were forced to translate actively, like I-baptize~.

Declension in Greek knows three categories. Generally, we can say that the first declension suffixes the feminine relative pronoun to the stem, the second uses the masculine and neuter relative and the third declension partly follows the indefinite pronoun or is indefinite as a whole.

Therefore, we have arranged nouns according to the three declensions, some are indefinite, commonly called irregular and others are indeclinable. Adjectives in principle use the same endings. Participles, which in fact are verbal adjectives, are listed with the verbs. The several pronouns and the article are given separately.

The prepositions show what declension really is. Speech is flowing and a flow has a direction. The prepositions illustrate this very clearly. Studying the scheme showing the relationship of the prepositions to the case system will help very effectively in understanding this subject.

Adverbs, conjunctions and particles are not declined. They seldom change in usage.

Concordant Scripture Study

c-s-s.website

Tables of the different grammatical forms are given below, as they will be found in declension and conjugation, which show the reader the changes words make in language usage. The reader will also be enabled this way to check the uniform interlinear by himself.

May God use this introduction into a concordant grammar for a better understanding of His glorious Word, for the laud of His glory and for the blessing of His beloved saints.
